LFPA Executive Committee Minutes

January 7, 2015

Present: Sherry Williams, Meredith Huff, Elspeth Healey, Leah Nelson

The Orientation Meeting was discussed. Lea reserved a room in the Union for January 15 and sent an invitation to new hires. Each LFPA Executive committee member will introduce themselves and which committee they are the liaison for.

Sherry spoke with Kent about who would replace Kim Glover on Faculty Senate. Kent sent out a call for volunteers via email and reported to Sherry that two people volunteered, and he would select one.

Lars, on behalf of CRSA, contacted Sherry to see if LFPA Exec could encourage people to apply for the General Research Fund grants. February 15 is the deadline to apply.

There was a short discussion on what qualifies as ‘overload’ and how that applies to teaching and the Libraries. Overload is anything above and beyond what is considered part of your job. Librarians who teach classes will do so on an overload basis, which means they will be paid by the department for which they are teaching.
